

WELCOME!

As former camp staff members, we realize that there is a large body of scouts, leaders and staffers who are interested in continuing the traditions of Scout camping in Vermont. We welcome all interested alumni to join in the fun!

For your convenience, on the reverse side you will find an abbreviated application to join the Association. Send this application and dues to:
Brian Allen
1 Hoag Ln.
Grand Isle, VT 05458

Each of the patches and certificates is a one-time award to allow the bulk of each member's dues to go toward camp improvement projects each year. Dues cards are issued yearly.

Dues were set at \$25 annually and the Board affirmed that \$20 or more of this fee (80%) go to the worthy camp improvement project selected each year. For the dues, each member receives a numbered patch (6" of the MNSR AA logo – see the front of this pamphlet) and certificate with their individual number (the same as on the patch) as well as a dues card.

WORK PROJECTS

ON a rainy July 9th the founding members of the Mt. Norris Scout Reservation Alumni Association Inc. (MNSR AA) met and adopted the bylaws of the Association, elected officers and a Board of Directors. The members also witnessed that day the delivery of a new washer and dryer, both given to the camp through the efforts of Bill Baron and Kevin Macy (Association President and Vice-President respectively). The washer and dryer will be installed in the shower house with plumbing etc. to be completed soon.

Charter members and Board of Director members are former Norris staff from the 1950s through 2005. Each invites you to renew old friendships and begin new ones!

WHO MAY JOIN?

Membership in the Association is open to campers, adult leaders and staff (or former staff) of:

- **Mt. Norris**
- **Camp Plymouth**
- **Camp Sunrise** or
- **Zack Woods**

Scout camps. The purposes of the Association are to:

- Foster friendship and fellowship within the Association's members.
- To support and enhance the Scouting experience at Mt. Norris.
- To assure the long term viability of Mt. Norris.

In addition, members are interested in gathering the history of the camps and of Scouting in Vermont. If you have stories, patches, neckerchiefs, photos or any other material pertaining to the various camps or the Councils in Vermont, we would appreciate the opportunity to share and record this valuable history!
